GENERAL REQUIREMENTS: The original and one copy of this form must be submitted to DCA each time a local

and Acceptance of CDBG Funds and on the Drawdown of Funds in your current CDBG Recipients’ Manual
before preparing this form.

BLOCK 1: Enter the name of the local government Grant Recipient, and the name and telephone number of the
person who prepares the Drawdown Request.

BLOCK 2: Enter the Grant Award Number as well as the drawdown request number. Drawdowns should be
numbered consecutively, the first one being Number 1, the second one being Number 2, etc. The final drawdown
should be indicated by checking the “yes” box when appropriate.

BLOCK 3:

Item A  Activity Number: Enter the numbers for all approved activities as shown on the DCA Budget Summary. Include all approved activities, including the Contingency Activity.

Item B  Budget Amount: Enter the amount budgeted for all approved activities as shown on the DCA Budget Summary. These numbers should never be changed once they are entered correctly.

Item C  Budget Adjustments: Enter the total amount of Prior Budget Adjustments, which should reflect your current Revised Budget. Do not enter New Budget Adjustments on the current draw. If your draw request exceeds the Budget Revised amount, (Column H) should indicate a negative balance for that activity. Submit your request showing the negative balance. Money will be adjusted from the Contingency Activity to cover the current draw. If money is not available in the Contingency Activity, indicate the activities that the money should be transferred from in Block 4. This Budget Adjustment should be shown on your next drawdown request. The total of (Column C) always should equal zero unless the grant amount is changed by DCA.

Item D  Budget Revised: Equals Item C, (positive or negative) added to Item B.

Item E  Amount Drawn to Date: This should reflect, by activity, the total funds drawn down by the Recipient.

Item G  Amount of Drawdown Requested: Enter the amount requested for each activity.

Item H  Budget Balance After Current Draw: Equals Item G subtracted from Item F.

BLOCK 4. When determining the amount requested (Column G), confirm that an adequate balance of funds
remains. If you are requesting a draw in excess of the activity balance, you must indicate the activity number from
which you want funds transferred.

BLOCK 5. Please indicate the amount of program income received since the date of your last drawdown. If this is
left blank, you are certifying that no program income has been received. If program income has been received,
please review the Recipients’ Manual (Chapter 3, Section 3) for DCA’s program income policies and reporting
requirements. Please indicate the cash on hand (including program income) in your CDBG account as of the date
of the drawdown:

BLOCK 6. Enter the authorized signature(s), date signed, and authorized signatory(s) title on the original

1. Acquisition, repair, improvement, reconstruction, or rehabilitation of public facilities and improvements (other than buildings) when the facilities and improvements are in place and will be retained in the same use without change in size or capacity of more than 20 percent (e.g., replacement of water or sewer lines, reconstruction of curbs and sidewalks, repaving of streets);

2. Special projects directed to the removal of material and architectural barriers that restrict the mobility of and accessibility to elderly and handicapped persons;

3. Rehabilitation of buildings and improvements when the following conditions are met:
   i. In the case of a building for residential use (with one to four units), the density is not increased beyond four units.  The land use is not changed, and the footprint of the building is not increased in a floodplain or in a wetland.
   ii. In the case of multifamily residential buildings:
      A. Unit density is not changed more than 20 percent;
      B. The project does not involve changes in land use from residential to non-residential; and
      C. The estimated cost of rehabilitation is less than 75 percent of the total estimated cost of replacement after rehabilitation.
   iii. In the case of non-residential structures, including commercial, industrial, and public buildings:
      A. The facilities and improvements are in place and will not be changed in size or capacity by more than 20 percent; and
      B. The activity does not involve a change in land use, such as from non-residential to residential, commercial to industrial, or from one industrial use to another;

4. i. An individual action on a one- to four-family dwelling up to four dwelling units where there is a maximum of four units on one site.  The units can be four one-unit buildings or one four-unit building or any combination in between; or
   ii. An individual action on a project of five or more houses on five or more scattered sites when the sites are more than 2,000 feet apart and there are not more than four housing units on any one site.
   iii. Items (i) and (ii) do not apply to rehabilitation of a building for residential use (with one to four units);

5. Acquisition (including leasing) or disposition of, or equity loans on an existing structure, or acquisition (including leasing) of vacant land provided that the structure or land acquired, financed, or disposed of will be retained for the same use;

6. Combinations of the above activities.

**The responsible entity must complete and attach a Statutory Worksheet.** If there are circumstances that require compliance with any of the Federal laws and authorities cited in 24 CFR 58.5 you must complete consultation or mitigation requirements, publish a Notice of Intent to Request Release of Funds and obtain Authority to Use Grant Funds (HUD 7015.16) per 24 CFR 58.70 and 58.71 before drawing down funds.

If there are no circumstances that require compliance with any of the Federal laws and authorities cited in 24 CFR 58.5 the project converts to Exempt per 24 CFR 58.34(a)(12); therefore, you do not have to submit a Request for Release of Funds and no further approval from HUD is needed before drawing down funds. However, the Responsible Entity must still document in writing its compliance with and/or applicability of “other requirements” per 58.6 (included with this document).
Certification of Categorical Exclusion (subject to 58.5)

By signing below the Responsible Entity certifies in writing that each activity or project is Categorically Excluded (subject to 58.5) and meets the conditions specified for such determination under section 24 CFR 58.35(a). (Environmental FONSI/NOIRROF)
CONCURRENT NOTICE TO PUBLIC OF NO SIGNIFICANT IMPACT ON THE ENVIRONMENT AND NOTICE OF REQUEST FOR RELEASE OF FUNDS

Date of Publication: __________________

(Name of CDBG Recipient)

(Street, City, Zip Code)

(Telephone #)

TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS

On or about (16 days from date of publication) the above named (City) (County) will request the Georgia Department of Community Affairs (DCA) to release Federal funds under Title I of the Housing and Community Development Act of 1974, as amended, for the following project:

(Project Title or Name)

(Project Activities)

(Purpose or Nature of the Project)

(Specific Location of the Project)

FINDING OF NO SIGNIFICANT IMPACT (FONSI)

It has been determined that such request for release of funds will not constitute an action significantly affecting the quality or the human environment and, accordingly, the above named (City) (County) has decided not to prepare an Environmental Impact Statement under the National Environmental Policy Act of 1969 (PL 91-190).

The reasons for such decision not to prepare such Statement are as follows:

______________________________________________________________________________

______________________________________________________________________________

(Set forth reasons for decision)

An Environmental Review Record respecting the proposed project has been made by the above named (City) (County) which documents the environmental review of the project and more fully sets forth the reasons why such Statement is not required. This Environmental Record is on file at (location) and is available for public examination and copying upon request at (Room or other specific location) between the hours of _________ and _________.

DCA Sample 1 (2003) V.01
Page 1 of 2
No further environmental review of such project is proposed to be conducted prior to the request for release of Federal funds.

PUBLIC COMMENTS ON FONSI

All interested agencies, groups and persons disagreeing with this decision are invited to submit written comments for consideration by the (City) (County) to the (office of the undersigned) (other specific place). Such written comments should be received at (specific address) on or before (15 days from date of publication). All such comments so received will be considered and the (City) (County) will not request the release of Federal funds or take any administrative action on the proposed project prior to the date specified in the preceding sentence.

NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS (NOI/RROF)

At least one day after the termination of the public comment period for the FONSI but not before comments on the FONSI have been considered and resolved, (name of CDBG Recipient) will submit a Request for Release of Funds (RROF) and Certification to DCA. By so doing the (City) (County) will ask DCA to allow it to commit funds to this project certifying that (1) it has performed the environmental review prescribed by HUD regulations ("Environmental Review Procedures for Title I Community Development Block Grant Program" - 24 CFR Part 58), and 2) the Certifying Officer, (name), consents to accept the jurisdiction of the federal courts if an action is brought to enforce responsibilities in relation to the environmental review or resulting decision-making and action. The legal effect of the certification is that by approving it, DCA will have satisfied its responsibilities under the National Environment Act thus allowing (name of CDBG Recipient) to commit Community Development Block Grant funds to this project.

OBJECTION TO RELEASE OF FUNDS

DCA will accept objection to this approval of the release of funds and the certification only if it is on one of the following bases: a) that the certification was not in fact executed by the Certifying Officer; or b) that applicant’s Environmental Review Record for the project indicated omission of a required decision, finding, or step applicable to the project in the environmental review process. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58) and may be addressed to DCA at CDBG Section, 60 Executive Park South, Atlanta, Georgia 30329-2231.

Objections to the release of funds on bases other than those stated above will not be considered by the State. No objection received after (30 days plus mailing time from the date of publication) will be considered by DCA.

Request for Release of Funds and Certification
This form is to be used by Responsible Entities and Recipients (as defined in 24 CFR 58.2) when requesting the release of funds, and requesting the authority to use such funds, for HUD programs identified by statutes that provide for the assumption of the environmental review responsibility by units of general local government and States. Public reporting burden for this collection of information is estimated to average 36 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless that collection displays a valid OMB control number.

Form HUD-11 (08/2004)
Instructions for
Job Site Interviews
Instructions

General:

This form is to be used by HUD and local agency staff for recording information gathered during on-site interviews with laborers and mechanics employed on projects subject to Federal prevailing wage requirements. Typically, the staff that will conduct on-site interviews and use this form are HUD staff and fee construction inspectors, HUD Labor Relations staff, and local agency labor standards contract monitors.

Information recorded on the form HUD-11 is evaluated for general compliance and compared to certified payroll reports submitted by the respective employer. The comparison tests the veracity of the payroll reports and may be critical to the successful conclusion of enforcement actions in the event of labor standards violations. The thoroughness and accuracy of the information gathered during interviews is crucial.

Note that the interview itself and the information collected on the form HUD-11 are considered confidential. Interviews should be conducted individually and privately. All laborers and mechanics employed on the job site must be made available for interview at the interviewer’s request. The employee’s participation, however, is voluntary. Interviews shall be conducted in a manner and place that are conducive to the purposes of the interview and that cause the least inconvenience to the employer(s) and the employee(s).

Completing the form HUD-11

Items 1а - 1с: Self-explanatory

Items 2а - 2д: Enter the employee’s full name, a telephone number where the employee can be reached, and the employee’s home address. Many construction workers use a temporary address in the locality of the project and have a more permanent address elsewhere from which mail may be forwarded to them. Obtain a more permanent address, if available. Ask the employee for a form of identification (e.g., driver’s license) to verify their name.

Items 3а – 4с: Enter the employee’s responses. Ask the employee whether they have a pay stub with them; if so, determine whether the pay stub is consistent with the information provided by the employee.

Items 5 – 7: Be certain that the employee’s responses are specific. For example, job classification (#5) must identify the trade involved (e.g., Carpenter, Electrician, Plumber) – responses such as “journeyman” or “mechanic” are not helpful for our purposes.

Items 8 – 12б: Self-explanatory

Items 13 – 15с: These items represent some of the most important information that can be gathered while conducting on-site interviews. Please be specific about the duties you observed the employee performing. It may be easiest to make these observations before initiating the interview. Please record any comments or remarks that may be helpful. For example, if the employee interviewed was working with a crew, how many workers were in the crew? Was the employee evasive?

The level of specificity that is warranted is directly related to the extent to which interview(s) or other observations indicate that there may be violations present. If interviews indicate that there may be underpayments involving a particular trade(s), the interviewer is encouraged to interview as many workers in that trade(s) that are available.

Items 16 – 17б: The information on the form HUD-11 may be reviewed for general compliance, initially. For example, are the job classification and wage rate stated by the employee compatible with the classifications and wage rates on the applicable wage decision? Are the duties observed by the interviewer consistent with the job classification?

Once the corresponding certified payroll reports are received, the information on the HUD-11 shall be compared to the payroll reports. Any discrepancies noted between the HUD-11 information and that on the payroll report shall be noted in Item 16, Remarks. If discrepancies are noted, follow-up actions to resolve the discrepancies must be taken.

Intrucciones para rellenar el formulario HUD-11

Líneas 1a - 1c: Auto aclaratorio

Líneas 2a - 2d: Anote el nombre completo del empleado, un número telefónico donde se lo pueda contactar, y su dirección residencial. Muchos trabajadores de construcción usan una dirección temporal en la localidad del proyecto y tienen una dirección más permanente en algún otro lugar a donde se les puede enviar correspondencia. Si puede, obtenga una dirección más permanente. Pida al empleado algún tipo de identificación (por ej., licencia de conducir) para verificar su nombre.

Líneas 3a - 4c: Anote las respuestas del empleado. Pregunte a los empleados si tienen un talonario de paga con ellos; si no, determine si el talonario de paga concuerda con la información provista por el empleado.

Líneas 5 - 7: Asegúrese de que las respuestas del empleado sean específicas. Por ejemplo, la clasificación de trabajo (#5) debe identificar el tipo de oficio que desempeña (por ej., carpintero, electricista, plomero) – respuestas tales como “jornalero” o “mecánico” no ayudan para nuestros propósitos.

Líneas 8 - 12b: Auto explicatorio

Líneas 13 - 15c: Estos asuntos representan alguna de la información más importante que se puede recopilar durante una entrevista en sitio. Por favor sea específico en cuanto a los deberes que según su observación desempeñó el empleado. Quizás sea más fácil hacer estas observaciones antes de iniciar la entrevista. Por favor anote cualquier comentario que pueda ser de importancia. Por ejemplo, si el empleado entrevistado estaba trabajando con un equipo, ¿cuántos trabajadores tenía el equipo? ¿Se mostraba el empleado evasivo?

El nivel de precisión garantizado está directamente relacionado al grado que la(s) entrevista(s) u otras observaciones pueden indicar que existen posibles violaciones. Si las entrevistas indican que puede haber paga de salario insuficiente relacionado a algún particular oficio(s), se recomienda al entrevistador conducir entrevistas con tantos trabajadores en ese oficio(s) estén disponibles.

Líneas 16 - 17b: Inicialmente, la información en el formulario HUD-11 puede ser examinada para conformidad general. Por ejemplo, ¿está la clasificación de trabajo y el salario declarado por el empleado compatible con las clasificaciones y tasas de salario en la decisión de salario aplicable? ¿Concuerdan los deberes observados por el entrevistador con la clasificación de trabajo?

Una vez se reciben los informes de nómina certificados correspondientes, se hará una comparación de la información anotada en el formulario HUD-11 con los informes de nómina. Cualquier discrepancia entre la información del formulario HUD-11 y la del informe de nómina será anotada en la línea 16, Comentarios. Si se hacen observaciones de discrepancias se deberán tomar pasos de seguimiento para resolver las discrepancias.

*While completion of Form WH-347 is optional, it is mandatory for covered contractors and subcontractors performing work on Federally financed or assisted construction contracts to respond to the information collection contained in 29 C.F.R. §§ 3.3, 5.5(a). The Copeland Act (40 U.S.C. § 3145) contractors and subcontractors performing work on Federally financed or assisted construction contracts to "furnish weekly a statement with respect to the wages paid each employee during the preceding week." U.S. Department of Labor (DOL) regulations at 29 C.F.R. § 5.5(a)(3)(i) require contractors to submit weekly a copy of all payrolls to the Federal agency contracting for or financing the construction project, accompanied by a signed "Statement of Compliance" indicating that the payrolls are correct and complete and that each laborer or mechanic has been paid not less than the proper Davis-Bacon prevailing wage rate for the work performed. DOL and federal contracting agencies receiving this information review the information to determine that employees have received legally required wages and fringe benefits.*

**Public Burden Statement**

We estimate that it will take an average of 55 minutes to complete this collection, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. If you have any comments regarding these estimates or any other aspect of this collection, including suggestions for reducing this burden, send them to the Administrator, Wage and Hour Division, U.S. Department of Labor, Room 53502, 200 Constitution Avenue N.W., Washington, D.C. 20210
