SUBJECT: County Jail Report – October 2007

Enclosed is the County Jail Inmate Report for October 2007. This report reflects the inmate population on October 4, 2007. This month, all of the functional county jails provided inmate information. The data in this report represents 100 percent of the county jails reporting and 100 percent of the State’s population. Please note this report is a collaborative effort of both state and local agencies/departments, and the publication date is dependent upon a number of variables that are not within the direct control of the Department of Community Affairs. However, we make every effort to release the report as early as possible.

In October 2007, the number of inmates held in county jails increased by 502 inmates to 39,563. Carroll County added bunk beds to their jail, their new capacity is 682, was 645. Therefore, total capacity increased by 37 inmates to 41,016. The number of inmates awaiting trial increased by 55 inmates to 23,980, and the number of sentenced inmates awaiting transfer to State Institutions decreased by 356 inmates to 4,060.

The jail report is available at http://www.dca.state.ga.us/development/research/programs/jailReports.asp.
