<sup>†</sup> The Census Tract numbers shown above are based on 2000 Census boundaries (i.e. TIGER 2000).

**\* Census Tracts which have been designated by DCA as Military Zones (MZ) and are currently eligible to receive credit as a MZ.**

The above Census Tracts are all eligible to be designated as Military Zones. Unless noted, the local government must request formal designation from the Dept of Community Affairs to have the area designated as a Military Zone. Areas which were designated prior to 2012 and retained eligibility for 2012 have retained their designation.

Designated census tracts have an effective date noted next to the tract. Eligible jobs created in a tax year beginning on or after the designation date may be considered for the Military Zone Job Tax Credit.
