CoC Structure and Decision-Making Processes

C: CoC Groups and Meetings Chart

CoC Planning Groups		Meeting Frequency (check only one column)				Enter the number of organizations/entities that are members of each CoC planning group listed on this chart.
		At Least Monthly	At Least Quarterly	At Least Biannually	Annually	
CoC Primary Decision-Making Group (list only one group)						
Name:	Georgia Department of Community Affairs (DCA)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	1
Role:	DCA develops the CoC in collaboration with providers, other CoCs, local government, coalitions, state agencies, business groups, and others					
Other CoC Committees, Sub-Committees, Workgroups, etc.						
Name:	State Homeless Advisory Council	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	33
Role:	Advises DCA and CoC on implementation of CoC, ESG, State & other homeless programs. Unbiased subcommittee rates and ranks CoC proposals					
Name:	HMIS/CoC Planning Group	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	8
Role:	Each of the 7 CoC's in Georgia, along with Pathways Community Network, meet to coordinate GA's HMIS implementation and share best practices on discharge planning, permanent housing, addressing chronic homeless, etc.					
Name:	Regional Homeless Resource Fairs	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	6
Role:	The state provides funds to sponsor an annual fair in each of 12 state regions. Homeless persons, providers & others collaborate, share best practices, & participate in CoC planning					
Name:	Regional Homeless Planning Workshops	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	219
Role:	DCA conducts regional planning sessions each February (13 in 2007) to provide information on CoC, develop inventory for CoC, and determine needs/gaps for CoC.					
Name:	Georgia Interagency Homeless Coordination Council	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	20
Role:	Established by the Governor, state agencies meet to coordinate homeless services. Oversee policy academies for 10-yr. plan to end chronic homelessness, SSI and families. Create new programs/partnerships to address the needs of Georgia's homeless					

C: CoC Groups and Meetings Chart (Cont.)

Name:	State Housing Trust Fund for the Homeless Commission	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	9
Role:	Nine (9) member commission appointed by Governor to implement \$3+ million dollar annual allocation. Strongly supports ESG and CoC effort with resources.					
Name:	(Atlanta) Regional Commission on Homelessness	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	40
Role:	Includes BOS CoC counties of Clayton, Douglas, Gwinnett and Rockdale. Inclusive process that sets homeless program priorities and directs regional private and government funding.					
Name:	Regional Commission on Homelessness Councils	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	40
Role:	Six (6) subgroups of Commission meet to address addiction/mental health, community education, employment, prevention, supportive housing, and women's and children's issues.					
Name:	GA DHR Domestic Violence Council	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	35
Role:	Coordinates work within GA's state-wide regional network of DV shelters.

E: CoC Governing Structure Chart

<p>1. Is the CoC's primary decision-making body a legally recognized organization (check one)?</p> <p><input type="checkbox"/> Yes, a 501(c)(3)</p> <p><input type="checkbox"/> Yes, a 501(c)(4)</p> <p><input checked="" type="checkbox"/> Yes, other – specify: <i>State Government</i></p> <p><input type="checkbox"/> No, not legally recognized</p>	
<p>2. If your CoC were provided with additional administrative funds from HUD, would the primary decision-making body, or an agent designated by it (e.g. a city or non-profit organization), be able to be responsible for activities such as applying for HUD funding and serving as the grantee, providing project oversight, and monitoring? Explain. Yes. <i>DCA currently administers ESG and S+C programs state-wide, so it would not have to create capacity, but would instead expand capacity. Flexible additional administrative funds would allow us to expand our activities related to technical assistance, leveraging outside funds and providing project oversight, particularly with grantees with limited organizational capacity</i></p>	
<p>3. What percentage of the decision-making body membership represents the private sector, including non-profit providers, homeless or formerly homeless persons, advocates and consumer interests, etc.? <i>68% of the current DCA board are individuals from the private sector.</i></p>	<p>68%</p>
<p>4a. Indicate how the members of the primary decision-making body are selected (check all that apply):</p> <p><input type="checkbox"/> Elected <input type="checkbox"/> Assigned/Volunteer</p> <p><input checked="" type="checkbox"/> Appointed <input type="checkbox"/> Other – specify</p>	
<p>4b. Briefly explain the selection process. (For example, if 5 members are appointed and 6 are elected, explain why this process was established and describe how it works.)</p> <p><i>The GA Department of Community Affairs is governed by a 21-member board appointed by the Governor. As a state agency, board membership and governance are established by state statute. CoC priorities are established by the State Homeless Advisory Council. Volunteers for this group are solicited among those on the Council who do not have a conflict of interest in project selection. State Homeless Advisory Council members represent the full range of interests related to the persons in Georgia experiencing homelessness.</i></p>	
<p>5. Indicate how the leaders of the primary decision-making body are selected (check all that apply):</p> <p><input type="checkbox"/> Elected <input type="checkbox"/> Assigned/Volunteer</p> <p><input checked="" type="checkbox"/> Appointed <input type="checkbox"/> Other – specify:</p>	

F: CoC Project Review and Selection Chart

J: CoC Housing Inventory Data Sources and Methods Chart

(1) Indicate date on which Housing Inventory count was completed: 1-24-07 (supplemented by data from 4-9-07)
(2) Identify the method used to complete the Housing Inventory Chart (check one):
<input checked="" type="checkbox"/> Housing inventory survey – CoC conducted a housing inventory survey
<input type="checkbox"/> HMIS – Used HMIS data to complete the Housing Inventory Chart
<input type="checkbox"/> HMIS plus housing inventory – Used HMIS data supplemented by a survey of providers NOT participating in the HMIS
(3) Indicate the percentage of providers completing the housing inventory survey:
100 % Emergency shelter providers
100 % Transitional housing providers
100 % Permanent supportive housing providers
(4) Indicate steps to ensure data accuracy for 2007 Housing Inventory Chart (check all that apply):
<input checked="" type="checkbox"/> Instructions – Provided written instructions for completing the housing inventory survey.
<input checked="" type="checkbox"/> Training – Trained providers on completing the housing inventory survey.
<input checked="" type="checkbox"/> Updated prior housing inventory information – Providers submitted updated 2006 housing inventory to reflect 2007 inventory.
<input checked="" type="checkbox"/> Follow-up – CoC followed-up with providers to ensure the maximum possible response rate and accuracy of the housing inventory survey.
<input type="checkbox"/> Confirmation – Providers or other independent entity reviewed and confirmed information in 2007 Housing Inventory Chart after it was completed.
<input checked="" type="checkbox"/> HMIS – Compared HMIS and housing inventory survey data to check for consistency.
<input type="checkbox"/> Other – specify:
Unmet Need:
(5) Indicate type of data that was used to determine unmet need (check all that apply):
<input checked="" type="checkbox"/> Sheltered count (point-in-time)
<input type="checkbox"/> Unsheltered count (point-in-time)
<input checked="" type="checkbox"/> Housing inventory (number of beds available)
<input checked="" type="checkbox"/> Local studies or data sources – specify: <i>1-24-07 and 4-9-07 inventory of beds and utilization and an assessment of demand in excess of supply</i>
<input type="checkbox"/> National studies or data sources – specify:
<input checked="" type="checkbox"/> Provider opinion through discussions or survey forms
<input type="checkbox"/> Other – specify:
(6a) Indicate the method(s) used to calculate or determine unmet need (check all that apply):
<input checked="" type="checkbox"/> Stakeholder discussion – CoC stakeholders met and reviewed data to determine CoC's unmet need
<input type="checkbox"/> Locally-determined formula – Used locally-determined formula based on local point-in-time (PIT) count data and housing inventory to calculate unmet need
<input type="checkbox"/> Applied statistics – Used local PIT enumeration data and applied national or other local statistics
<input type="checkbox"/> HUD unmet need formula – Used HUD's unmet need formula*
<input type="checkbox"/> Other – specify:
(6b) If more than one method was used in 6a, please describe how these methods were used.

*

CoC Homeless Population and Subpopulations

K: CoC Point-in-Time Homeless Population and Subpopulations Chart

Indicate date of last point-in-time count: 1/24/07 and 4/9/07				
Part 1: Homeless Population	Sheltered		Unsheltered	Total
	Emergency	Transitional		
1. Number of Households with Dependent Children:	142	166	1,242	1,550
1a. Total Number of Persons in these Households (adults and children)	300	580	4,347	5,227
2. Number of Households without Dependent Children**	474	365	3,028	3,867
2a. Total Number of Persons in these Households	616	475	3,937	5,028
Total Persons (Add Lines 1a and 2a):	916	1055	8,284	10,255
Part 2: Homeless Subpopulations (Adults only, except g. below)				
	Sheltered		Unsheltered	Total
a. Chronically Homeless	278		379	657
b. Severely Mentally Ill	284		911	1,195
c. Chronic Substance Abuse	420		1,740	2,160
d. Veterans	87		157	244
e. Persons with HIV/AIDS	79		290	369
f. Victims of Domestic Violence	544		911	1,455
g. Unaccompanied Youth (Under 18)	137		165	302

*Optional for unsheltered homeless subpopulations

** Includes single individuals, unaccompanied youth, and other adults (such as a married couple without children)

***For “sheltered” chronically homeless subpopulations, list persons in emergency shelter only.

L: CoC Homeless Population and Subpopulations Data Sources & Methods Chart

L-1: Sheltered Homeless Population and Subpopulations

(1a) Check method(s) used to count sheltered homeless persons in the CoC (check all that apply):	
<input checked="" type="checkbox"/>	Survey – Providers count the total number of clients residing in their programs during the PIT count.
<input type="checkbox"/>	HMIS – CoC used HMIS to complete the PIT sheltered count and subpopulation information.
<input type="checkbox"/>	Other – specify:
(1b) If multiple methods are checked, briefly describe how data collected using the methods were combined to produce the count.	
(2a) Check the method(s) used to gather the subpopulation information on sheltered homeless persons reported in Part 2: Homeless Subpopulations (check all that apply):	
<input type="checkbox"/>	Point-in-time (PIT) interviews with each adult and unaccompanied youth – All sheltered adults and unaccompanied youth were interviewed to gather subpopulation information.
<input type="checkbox"/>	Sample of PIT interviews plus extrapolation – A sample of sheltered adults and unaccompanied youth were interviewed to gather subpopulation information, and extrapolation techniques were applied to produce the total sheltered homeless population.
<input type="checkbox"/>	Non-HMIS client-level information - Providers used individual client records (e.g., case management files) to provide subpopulation data for each adult and unaccompanied youth.
<input checked="" type="checkbox"/>	Provider expertise – Providers estimated the percentage of clients belonging to each subpopulation based on their knowledge of their client population as a whole.
<input type="checkbox"/>	HMIS – CoC used HMIS to gather subpopulation information on sheltered homeless persons.
<input type="checkbox"/>	Other –specify:
(2b) If multiple methods are checked, briefly describe how the methods were combined to produce the subpopulation information.	
(3) Indicate CoC's steps to ensure data quality of the sheltered count (check all that apply):	
<input checked="" type="checkbox"/>	Instructions – Provided written instructions to providers for completing the sheltered PIT count.
<input type="checkbox"/>	Training – Trained providers on completing the sheltered PIT count.
<input checked="" type="checkbox"/>	Remind and Follow-up – Reminded providers about the count and followed up with providers to ensure the maximum possible response rate and accuracy.
<input type="checkbox"/>	HMIS – Used HMIS to verify data collected from providers for the sheltered PIT count.
<input type="checkbox"/>	Other –specify:
(4) How often will sheltered counts of sheltered homeless people take place in the future?	
<input type="checkbox"/>	Biennial (every two years)
<input checked="" type="checkbox"/>	Annual
<input type="checkbox"/>	Semi-annual
<input type="checkbox"/>	Other – specify:
(5) Month and Year when next count of sheltered homeless persons will occur: January 2008	
(6) Indicate the percentage of providers providing populations and subpopulations data collected via survey, interview and/or HMIS:	
70%	Emergency shelter providers
83%	Transitional housing providers

L-2: Unsheltered Homeless Population and Subpopulations*

(1) Check the CoC's method(s) used to count unsheltered homeless persons (check all that apply):	
<input checked="" type="checkbox"/>	Public places count – CoC conducted a point-in-time (PIT) count <u>without</u> client interviews. <i>Selected cities in the BoS did PIT counts. Those counts were also used to inform the BoS estimate.</i>
<input type="checkbox"/>	Public places count with interviews – CoC conducted a PIT count and interviewed unsheltered homeless persons encountered during the public places count: <input type="checkbox"/> ALL persons were interviewed OR <input type="checkbox"/> Sample of persons were interviewed
<input type="checkbox"/>	Public places count using probability sampling.
<input type="checkbox"/>	Service-based count – Interviewed people using non-shelter services, such as soup kitchens and drop-in centers, and counted those that self-identified as unsheltered homeless persons.
<input type="checkbox"/>	HMIS –.
<input checked="" type="checkbox"/>	Other – specify: <i>DCA analyzes records showing shelter and transitional housing bed supply vs. demand to generate unsheltered estimate. Because the Balance of State CoC covers 96% of Georgia's counties and 67% of the state's population, unsheltered counts in some BoS areas, and counts from other CoCs can inform the BoS estimate.</i>
(2) Indicate the level of coverage of the PIT count of unsheltered homeless people:	
<input type="checkbox"/>	Complete coverage – The CoC counted every block of the jurisdiction.
<input type="checkbox"/>	Known locations –
<input type="checkbox"/>	Combination –.
<input type="checkbox"/>	Used service-based or probability sampling (coverage is not applicable)
<input checked="" type="checkbox"/>	Other –specify: <i>See method description above</i>
(3) Indicate community partners involved in PIT unsheltered count (check all that apply):	
<input type="checkbox"/>	Outreach teams
<input type="checkbox"/>	Law Enforcement
<input type="checkbox"/>	Service Providers
<input type="checkbox"/>	Community volunteers
<input type="checkbox"/>	Homeless and/or formerly homeless persons
<input checked="" type="checkbox"/>	Other – specify: <i>Administrative estimate</i>
(4) Indicate CoC's steps to ensure data quality of the unsheltered count (check all that apply):	
<input type="checkbox"/>	Training – Conducted training(s) for PIT enumerators.
<input type="checkbox"/>	HMIS – Used HMIS to check for duplicate information.
<input checked="" type="checkbox"/>	Other – specify: <i>PIT counts in selected BoS cities, along with counts in other Georgia's CoCs result in DCA's estimates being based on credible data</i>
(5) How often will CoC conduct PIT counts of unsheltered homeless people in the future?	
<input checked="" type="checkbox"/>	Biennial (every two years) <i>DCA has entered into a contract with a local university to develop a sampling methodology for an '08 BoS count, covering the 152 counties in the BoS.</i>
<input type="checkbox"/>	Annual
<input type="checkbox"/>	Semi-annual
<input type="checkbox"/>	Quarterly
<input type="checkbox"/>	Other – specify:
(6) Month and Year when next PIT count of unsheltered homeless persons will occur: <i>January 2008</i>	

CoC Homeless Management Information System (HMIS)

M: CoC HMIS Charts

M-1: HMIS Lead Organization Information

Organization Name: Georgia Department of Community Affairs	Contact Person: John Bassett
Phone 404-679-3170	Email jbassett@dca.state.ga.us
Organization Type: State/local government <input checked="" type="checkbox"/> Non-profit/homeless provider <input type="checkbox"/> Other <input type="checkbox"/>	

M-2: List HUD-defined CoC Name(s) and Number(s) for every CoC in HMIS Implementation:

HUD-Defined CoC Name*	CoC #	HUD-Defined CoC Name*	CoC #
Atlanta/DeKalb, Fulton Counties CoC	GA-500	Georgia Balance of State CoC	GA-501
Athens/Clarke County CoC	GA-503	Augusta CoC	GA-504
Columbus-Muscogee/Russell County CoC	GA-505	Marietta/Cobb County CoC	GA-506
Savannah/Chatham County CoC	GA-507		

M-3: HMIS Implementation Status

HMIS Data Entry Start Date for your CoC OR Anticipated Date Entry Start Date for your CoC	If no data entry date, indicate reason: <input type="checkbox"/> New CoC in 2007 <input type="checkbox"/> Still in planning/software selection process <input type="checkbox"/> Initial implementation
05/2003	

Briefly describe significant challenges/barriers the CoC has experienced in:

- HMIS implementation: Our strategic planning process revealed that some larger agencies were resisting participation in HMIS because they felt that user fees were too high. The continuum's nonprofit HMIS provider reduced fees significantly in response to this complaint, eliminating this objection. Strategic planning also revealed that many agencies are mandated to use multiple client management systems. Pathways, our nonprofit provider, is now developing an XML import feature to accept data from other systems that can supply data in accordance with HUD's new XML data exchange standard.
- HMIS Data and Technical Standards Final Notice requirements: Due to the sheer size of the Balance of State continuum, it is difficult to monitor agencies for ongoing compliance with the final notice standards (antivirus up to date, posted privacy notices, etc.). The continuum is currently investigating best practices to address this issue. A frequently mentioned objection to HMIS has been that it adds effort and complexity to the provision of housing and other services to people who are homeless. HMIS project funds have been used to purchase software that will allow organizations to export HMIS data in a format that can be imported into spreadsheets, other databases and analytical software so that user agencies can fully manipulate it for use in planning and resource allocation.

M-4: CoC Client Records

Calendar Year	Number of Client Records Entered in HMIS / Analytical Database (Duplicated) for CoC	Number of Unduplicated Clients Entered in HMIS / Analytical Database for CoC
2004	13,839	13,839
2005	21,024	21,024
2006	22,635	22,632

Please provide a brief explanation of the reason(s) for any decreases in the number of records (duplicated or unduplicated) from year to year. Numbers of records entered in HMIS have consistently increased.

M-5: Data Collection/Completeness and Coverage

(a) Indicate the percentage of unduplicated client records with null or missing values on the date that the point-in-time count was conducted.

Universal Data Element	% Null/Missing Values	Universal Data Element	% Null/Missing Values
Name	0.00%	Gender	0.00%
Social Security Number	0.00%	Veteran Status	0.00%
Date of Birth	0.00%	Disabling Condition	0.00%
Ethnicity	0.00%	Residence Prior to Program Entry	0.00%
Race	0.00%	Zip Code of Last Permanent Address	0.00%

Briefly describe how the CoC ensures that valid program entry and exit dates are being recorded in the HMIS for persons served. The continuum’s nonprofit HMIS provider periodically inspects system data for changes in program entry rates and alerts the continuum when they occur, then works with the continuum and the affected agency to address any issues. Each program’s profile in the HMIS contains an average program length, in days. HMIS provider staff periodically checks for program stays that exceed an agency’s average program length and works with the agency and continuum to validate or correct those program records.

(b) Indicate current OR anticipated HMIS bed coverage of 75% for each housing type.

	75% bed coverage*	Anticipate 75% bed coverage	Date anticipate achieving
Emergency Shelter	Y <input checked="" type="checkbox"/> / N <input type="checkbox"/>	Y <input type="checkbox"/> / N <input type="checkbox"/>	
Transitional Housing	Y <input checked="" type="checkbox"/> / N <input type="checkbox"/>	Y <input type="checkbox"/> / N <input type="checkbox"/>	
Permanent Supportive Housing	Y <input checked="" type="checkbox"/> / N <input type="checkbox"/>	Y <input type="checkbox"/> / N <input type="checkbox"/>	

(c) If CoC has not yet achieved or does not anticipate achieving 75% bed coverage for all beds (excluding DV beds), please explain why.

*75% bed coverage does not include DV beds, which are exempted from HMIS participation

M-6: Training, Data Quality and Implementation of HMIS Data & Technical Standards

	Y	N	P
1. Training Provided:			
Basic computer training	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
HMIS software training	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Privacy / Ethics training	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Security Training	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
System Administrator training	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
2. CoC Process/Role:			
Is the CoC able to aggregate all data to a central location at least annually?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Does the CoC monitor compliance with HMIS Data & Technical Standards Final Notice?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3. Security—Participating agencies have:			
Unique username and password access?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Secure location?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Locking screen savers?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Virus protection with auto update?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Individual or network firewalls?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Restrictions on access to HMIS via public forums (e.g. PKI digital certificates or IP filtering)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
4. Security—Agency responsible for centralized HMIS data collection and storage has:			
Procedures for off-site storage of HMIS data?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Disaster recovery plan that has been <u>tested</u> ?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
5. Privacy Requirements:			
<u>If</u> your state has additional confidentiality provisions, have they been implemented?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Is there a “Purpose for data collection” sign at each intake desk for all participating agencies?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Has each participating agency adopted a written privacy policy, including the uses and	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Does each participating agency have a privacy policy posted on its website (if applicable)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
6. Data Quality—CoC has process to review and improve:			
Client level data quality (i.e. missing birth dates etc.)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Program level data quality (i.e. data not entered by agency in over 14 days)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
CoC bed coverage (i.e. percent of beds)?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
7. Unduplication of Client Records—the CoC:			
Uses only HMIS data to generate unduplicated count?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Uses data integration or data warehouse to generate unduplicated count?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
8. OPTIONAL: Uses of HMIS Data—CoC uses HMIS data for:			
Point-in-Time Count	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Project/Program performance monitoring	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Program purposes (e.g. case management, bed management, program eligibility screening)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Statewide data aggregation (e.g. data warehouse)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

N: CoC 10-Year Plan, Objectives, and Action Steps Chart

Objectives to End Chronic Homelessness and Move Families and Individuals to Permanent Housing	2007 Local Action Steps How are you going to do it? List action steps to be completed within the next 12 months.	Lead Person List name and title or organization of one person responsible for accomplishing each action step.	Baseline (Current Level)	Numeric Achievement in 12 months	Numeric Achievement in 5 years	Numeric Achievement in 10 years
1. Create new PH beds for chronically homeless persons.	<p>DCA will create new PH beds for the chronically homeless by identifying localities of highest need, local supportive service partners, sponsors of S+C beds, & developers utilizing HOME funds and housing tax credits for construction, coupled with Section 8 vouchers for rental assistance. Action steps:</p> <ul style="list-style-type: none"> • Through the state’s PSH program, DCA expects to complete the underwriting and make commitments for 88 new permanent beds for the CH during the current 12 months. Construction should begin in 2008, with beds available early in the 5-year planning period. • DCA has included a special needs housing requirement as part of the 07/08 Qualified Allocation Process for tax credit and HOME funded rental developments; 50 Housing Choice vouchers have been allocated to those units. Those units will come on-line during the 5-year planning period. • The Balance of State CoC will continue to emphasize S+C to meet the PH needs of the CH. The state’s Community Service Boards, along with other nonprofit service providers, are expected to be the primary sponsors for new S+C beds. DCA will offer these providers TA, workshops and forums, and will match successful S+C providers with new/potential providers. 	Don Watt, GA Department of Community Affairs	416 Beds	85 Beds	210 Beds	415 Beds

<p>2. Increase percentage of homeless persons staying in PH over 6 months to at least 71%.</p>	<p>Based on an assessment of the most recent APR data for the Balance of State CoC, 71.1% of residents in the past 12 months have been there or were there for 7 months or longer. That statistic represents a significant increase over last year's 67.5% achievement. The CoC will continue to monitor this statistic and will implement the following actions to continued success:</p> <ul style="list-style-type: none"> Continued training for PH providers, particularly DCA's S+C providers, on (1) best practices for supportive services, and (2) utilizing a S+C continuum of assistance that utilizes less intensive supports for longer-term or more stable clients – and – more intensive supports for shorter-term or less stable clients CoC monitoring of programs for this outcome measure Annual conference and individualized TA for organizations not achieving reasonable outcomes based on the populations served 	<p>John Bassett, GA Department of Community Affairs</p>	<p>71.1 %</p>	<p>71 %</p>	<p>75 %</p>	<p>75 %</p>
<p>3. Increase percentage of homeless persons moving from TH to PH to at least 61.5%.</p>	<p>Based on APR data for CoC, 64.4 % of residents leaving TH in the past 12 months moved to PH. The CoC will continue to monitor this statistic and will implement the following actions to assure continued success.</p> <ul style="list-style-type: none"> Continued training for TH providers on best practices CoC monitoring of programs for this outcome measure Individualized TA for organizations not achieving reasonable outcomes based on the populations served 	<p>John Bassett, GA Department of Community Affairs</p>	<p>64.4 %</p>	<p>64 %</p>	<p>68 %</p>	<p>70 %</p>

4. Increase percentage of homeless persons employed at exit to at least 18%.	Based on an assessment of APR data, the CoC's service providers are successfully implementing this goal. In order to maintain this achievement and increase the employment of homeless persons at exit, DCA will undertake the following steps:					
	<ul style="list-style-type: none"> Based on work with the state's Department of Labor (DOL), as well as a meeting this year of the State Homeless Advisory Council, service providers expressed an interest in developing regional (and in some cases, local) employment roundtables. These groups would consist of service providers, local/regional DOL representatives, education and training organizations, and others that will meet to identify local strategies and needs for assisting homeless persons in obtaining and maintaining employment. 	Andrea Harper, Assistant Commissioner, GA Department of Labor	30.5 %	32 %	35 %	38 %
	<ul style="list-style-type: none"> Union Mission of Savannah has created a successful curriculum directed toward employment for its clients. The curriculum consists of topics such as job search tools, interviewing, conflict resolution, healthy living, computer skills, references, etc. DCA anticipates working with Union Mission to make this curriculum available to other service providers through a train-the-trainer program. 	John Bassett, GA Department of Community Affairs				

5. Ensure that the CoC has a functional HMIS system.	Participation in the statewide HMIS is a requirement for all non-DV providers receiving funds through the BoS CoC. DCA monitors compliance with this requirement as part of its administration of ESG, McKinney Vento, and Georgia State Housing Trust Fund for the Homeless programs. In addition to the funding requirement, DCA will continue to hold monthly meetings with all GA CoC developers and others to oversee the single implementation and address issues, including:	John Bassett, GA Department of Community Affairs <i>(Note that in 2006, 100% coverage was anticipated. This has proven not to be achievable, because of shelters – non-McKinney funded – that will not participate, as well as intermittent lack of coverage due to gains and losses in beds.)</i>	76% Bed Coverage	85% Bed Coverage	95% Bed Coverage	95% Bed Coverage
	<ul style="list-style-type: none"> Continue to engage user buy-in and ownership through user forums, conferences, surveys, etc. 					
	<ul style="list-style-type: none"> Build capacity of CoC membership and continue outreach to increase participation by all organizations who serve homeless persons 					
	<ul style="list-style-type: none"> Continue system improvements/enhancements 					
	<ul style="list-style-type: none"> Increased training to include great emphasis on web-based training which has been found to be effective and convenient for housing and service providers 					
	<ul style="list-style-type: none"> Working under an existing contract with Kennesaw State University, DCA will explore ways to integrate HMIS into homeless research activities and shelter/street counts 					
	<ul style="list-style-type: none"> Third party Pathways system testing and user agency monitoring for utilization and security compliance 					
	<ul style="list-style-type: none"> Seek to encourage DV shelters to use Pathways HMIS, working with successful DV users as a model 					
Barriers: If your CoC will not meet one or more of the above objectives, briefly describe why not (use less than two paragraphs).						

Other CoC Objectives in 2007

<p>1. Fully implement the SOAR program to assist housing and service providers in ensuring that homeless persons receive SSI and SSDI for which they qualify</p>	<p>Between April and December 2006, 250 front line case managers representing Georgia’s Division of Family and Children Services (DFCS), TANF, and Division of Mental Health, Development Disabilities and Addictive Diseases (MHDDAD) participated in one of ten (10) SOAR trainings across the state to learn how to assist homeless individuals with Social Security Administration (SSA) disability applications. Georgia’s Disability Adjudication Services (DAS) developed a “homeless unit” to handle persons’ applications assisted by SOAR case managers. Plans to expand SOAR in 2007/2008 include additional training, technical assistance, and collaboration led by a PATH funded SOAR Project Manager.</p>	<p>Charley Bliss, GA Department of Human Resources</p>	<p>10 training sessions 250 staff trained</p>	<p>Regular & frequent training sessions offered; incorporated as stand-ard part of staff training</p>	<p>Regular and frequent training sessions offered; incorporated as standard part of staff training</p>
<p>2. Fully implement the Crisis Intervention Team program so that police officers around the state are trained to work with persons with mental illness, to avoid unnecessary incarceration of homeless persons with mental illness</p>	<p>The Department of Human Resource’s Crisis Intervention Team (CIT) initiative trains police officers to support pre-booking diversion of persons with mental illness from incarceration into treatment services. DHR contracts with the National Alliance on Mental Illness (NAMI) to coordinate the CIT training. The goal is to have 20% of all police officers trained within one year. Through March 2007, 1,100 police officers had been trained and approximately 75 jurisdictions had trained officers.</p>	<p>Gwen Skinner, Director, Division of MH/SA/DD, GA DHR</p>	<p>20 %of police officers in the state trained</p>	<p>25 % of police officers in the state have received training</p>	<p>25 % of police officers in the state have received training %</p>

<p>3. Continue implementation of the Georgia Re-entry Partnership Housing Program aimed at addressing housing issues surrounding the discharge of inmates, particularly those with disabilities (SMI/SA/DD)</p>	<p>Working cooperatively, the State Board of Pardons and Paroles and the Georgia Department of Community Affairs are implementing the Georgia Re-entry Partnership Housing (RPH) Program. In 2006, the program provided housing placements to 133 parolees, utilizing 28 approved housing providers. Through the RPH, the state has avoided over \$4 million in incarceration costs (based on cost from RPH date to max out date) and parolees have obtained safe transitional housing.</p>	<p>Crystal Moon, Board of Pardons and Paroles</p>	<p>133 parolees placed</p>	<p>150 parolees placed per year</p>	<p>150 parolees placed per year</p>
<p>4. An Overview: Georgia Interagency Homeless Coordination Council

On February 11, 2004, Governor Perdue established the GA Interagency Homeless Coordination Council. The Council was charged to, based on earlier Policy Academy recommendations, develop a Homeless Action Plan and to report on its progress annually. The council is co-chaired by Commissioner Beatty of DCA and Commissioner Walker of DHR.

Goal 3 of the Plan is to “end the discharge of institutionalized individuals (to include discharge from correction facilities, public health or mental hospitals, treatment facilities, foster care, or juvenile justice programs) directly to homeless facilities which are unprepared and unable to meet the supportive service needs of the individual.” The plan includes actions steps and, recognizing that systems change is more realistically accomplished by measured steps over time, goals are established by the council each year. The following is a summary of accomplishments/protocols established during the past 12 months.

Foster Care:

- Four state departments, DCA, Human Resources (a/k/a DHR, includes rehabilitation services, MH, DD, AD and DFCS), Juvenile Justice and Labor, established the “Match Transition Protocol” in 2002. Match Transition case workers are responsible for assessment, pre-planning and follow-up following discharge. The case worker coordinates benefits and services. In 2006, a special housing project was approved to compliment these efforts. Acquisition has already taken place. The project budget is \$5 million dollars.
- DCA is a member of the Youth Transition Protocol Committee that meets monthly around the issues of youth with serious mental illness aging out of state foster care. DCA has (1) made Section 8 vouchers available to this group (60 issued in past 12 months), and (2) is aggressively working to develop protocols for the production of new permanent supportive housing, and to use those protocols to implement a pilot project utilizing HOME, Section 8 and other resources.
- Recognizing the need for community supports at the time of discharge, the Department of Juvenile Justice has developed pilot post-discharge case management protocols. This effort, in conjunction with current protocols surrounding pre-discharge planning, will improve success among youth in transition.
- 52,000 youth pass through Georgia’s Department of Juvenile Justice (DJJ) each year. DJJ has partnered with other state agencies to develop a “front-end” diversion model for youth with substance use and related problems; many with unstable housing histories, including homelessness. This partnership provides substance abuse and reentry services to juveniles ages 14 to 21, returning to the community. The program can serve 525 substance abusing youth offenders over four years. In the fall of 2006, 155 youth were being served by 11 different service providers.

Health Care:

The GA Balance of State CoC, in its state-wide planning processes, has not identified significant problems associated with the discharge of persons from health care institutions to homelessness, where the persons have been in hospitals (not MH!) for 30 days or longer. Regardless, the need for appropriate housing for persons who are homeless upon entry and exit (days or not overnight, etc.) from medical facilities is severe. The CoC is working to replicate best practices as follows:

- DCA and the Department of Community Health have been actively working to replicate hospital/homeless CoC protocols developed in Savannah, GA. Early in 2006, the St. Vincent de Paul respite center opened in Augusta. Augusta is the home of the Medical College of Georgia, and its affiliate, the MCG Medical Center, and serves many homeless and indigent patients from around the region and the state. The respite center serves the region as a point of discharge for persons who are homeless upon entry and discharge.
- DCA is studying and preparing to duplicate protocols established by the Health Access Initiative (HAI) in Hall County. Established by medical providers, this project coordinates appropriate access to health care, as well as appropriate housing and community services for homeless adults with limited resources. One of HAI's community partners is the Georgia Mountains Community Services Board. As a GHFA S+C sponsor, this organization directly links eligible adults in the program to permanent housing. HAI has successfully established protocols providing a comprehensive safety net with clear portals of entry, a medication assistance program, care management/navigation and permanent housing for many who are homeless with disabilities.
- Due to its easy access from to much of North Georgia, Kennestone Hospital has the busiest emergency room in the state. Cobb County's hospital discharge planning group, comprised of service providers and health care providers, has successfully implemented discharge protocols for homeless patients to regional providers such as Cobb – Douglas CSB and MUST Ministries. DCA participates via GHFA S+C programs in Cherokee and Douglas County. MUST is considering protocols for respite care and housing the medically fragile utilizing S+C funds.

Mental Health:

- To prevent institutional discharge to streets and shelters, DCA and DHR have developed protocols to connect DCA Section 8 vouchers (available in 149 counties) with DHR MH, AD and DD services primarily for persons exiting institutions (where they have been there longer than 30 days). This program began about two years ago with the reservation of approximately 300 vouchers. During the past year, this reservation was increased to 400 vouchers. To date 280 persons have active vouchers, and most of the vouchers are being utilized by consumers exiting institutions with severe and persistent mental illness.
- The Georgia Department of Community Affairs (DCA) launched a new housing search web site, GeorgiaHousingSearch.org, with the goal of improving efficiency and access to affordable housing across the state. Discharge planners for institutionalized persons, service providers for the homeless, as well as the general public, can use this service to find rental housing units based on price, numbers of bedrooms, available amenities, access to mass transportation, and accessibility features available. By the end of 2006, the web site had 36,785 units listed and averaged 3,300 searches per day.
- DCA developed language for the Qualified Application Plan (QAP) for tax credit housing which would give developers an incentive to develop units targeted to special needs tenants, including persons discharged from mental health institutions. Public hearings were

Mental Health, continued

held on the proposed QAP in 2006 and those provisions were included for 2007. DCA also allocated up to 50 project-based Housing Choice Vouchers for these set-aside units that will be allocated to the highest scoring applications receiving a tax credit award. Two new supportive housing facilities opened their doors to residents in 2006 — Maxwell House in Augusta (serving the region) and The Pines in Valdosta. Both projects were funded using DCA's Permanent Supportive Housing Program. The Pines includes Section 8 vouchers for all residents. During 2006, DCA continued to provide direct technical assistance to eight potential applicants working to create permanent supportive housing in Georgia through this program.

- DCA is establishing (with state resources) a new technical assistance training program that will feature professional training and certification for housing-based supportive services providers. Curriculum and certification protocols will be developed by MH professionals from best practices around the state and nation; including Georgia's successful "Peer Support" program and the "Person Centered Planning" protocols established by CUCS – a HUD TA provider.
- DHR is currently reducing the restrictions on the qualification of application for "Community Support Individual (CSI)" funding. This way, smaller nonprofits and faith based organizations will be eligible to receive direct funding from DHR to provide housing supports, even if they continue to rely upon community mental health agencies for professional mental health care.

Corrections:

- DCA, State Pardons and Paroles, state Corrections and the state Criminal Justice Coordinating Council (CJCC) have jointly implemented the "Re-Entry Housing Partnership" (RHP) program. DCA is the lead fiscal agent. Pardons and Paroles has hired a full-time discharge planner for the program. Using state funds, RHP designed to assist 'job ready' parolees with housing placement, meals and services in the absence of stable family, friends or resources for housing at the time of parole. Inappropriate discharge of parolees that often lead directly to homelessness are avoided. In the past year, 133 parolees have been placed state-wide and \$4 MD in prison costs has been avoided.
- The DHR Divisions of Family and Children Services (DFCS) and MH/SA have also formed a collaborative with Department of Corrections (DOC) with the goal of reducing homelessness and recidivism for the re-entry populations. DFCS staff currently provides education to staff and inmates at three state prisons that house female populations. Appointments for DFCS services are scheduled for referred inmates shortly after their release. DHR's Child Support Services Fatherhood Initiative is currently working with the male transitions centers.
- The DHR Crisis Intervention Team (CIT) is working to break the cycle of homelessness. A new initiative trains police officers to support pre-booking diversion of persons with SMI into treatment. This way, persons retain their housing without cycling through jails/prisons and back onto the street. The National Alliance on MH (NAMI) is a primary partner. To date, 75 jurisdictions and 1100 officers have been trained.
- DHR, the Criminal Justice Coordinating Council and DCA have developed protocols for proactive intervention with specific "forensic behavioral health" populations. The focus of this effort is to prevent the cycle of instability that leads to un-necessary homelessness, arrest, incarceration, and/or discharge planning (the 'revolving door').

P: CoC Coordination Chart

1. Consolidated Plan Coordination	YES	NO
a. Do Con Plan planners, authors and other Con Plan stakeholders participate in CoC general planning meetings?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b. Do CoC members participate in Con Plan planning meetings, focus groups, or public forums?	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Part IV: CoC Performance

U: CoC Achievements Chart

2006 Objectives to End Chronic Homelessness and Move Families and Individuals to Permanent Housing	12-month Measurable Achievement Proposed in 2006 (from Chart N of your 2006 CoC application)	Accomplishments (Enter the numeric achievement attained during past 12 months)
1. Create new PH beds for chronically homeless persons.	Create 100 new PH beds, 55 for chronically homeless persons; to be achieved by: <ol style="list-style-type: none"> 1. working with partners 2. workshops and forums 3. technical assistance 	135 permanent units (the Pines, Grove Park Village and Maxwell House) placed in service /57 for chronically homeless; 171 new S+C beds/62 for CH under contract during 2006 from 2005 awards
2. Increase percentage of homeless persons staying in PH over 6 months to 71%.	71% or more in PH over 6 months; to be achieved by: <ol style="list-style-type: none"> 1. Training for PH providers 2. CoC monitoring of programs for this outcome measure 3. Annual conference and individualized TA 	71.1 % of homeless persons stayed in PH over 6 months
3. Increase percentage of homeless persons moving from TH to PH to 61.5%.	61% or more moving from TH to PH, achieved by: <ol style="list-style-type: none"> 1. Training for TH providers 2. CoC monitoring 3. TA for providers 	64.4% of homeless persons in TH moved to PH
4. Increase percentage of homeless persons becoming employed by 11%.	40% of homeless persons employed at exit; to be achieved by: <ol style="list-style-type: none"> 1. Training 2. Working with advisory council 	30.5% of homeless persons were employed at exit
5. Ensure that the CoC has a functional HMIS system.	100% Utilization by all HUD McKinney grantees, to be achieved by: <ol style="list-style-type: none"> 1. Training and activities to increase user buy-in 2. Build capacity of CoC membership 3. Continued system improvements 4. Research activities 	76% bed coverage among all non-DV shelter, TH and PH beds.

U: CoC Achievements Chart (Cont)

Briefly explain the reasons for not meeting one or more of your proposed measurable achievements.

- While the Balance of State CoC's performance on the employment goal far exceeded HUD's minimum goal, it did fall short of our 40%. A meeting with the Homeless Advisory Council this year indicated that agency personnel felt that they could do an even better job if they could develop closer working relationships with local Georgia Department of Labor and education and training providers focused on employment opportunities for homeless persons; additionally DCA has recently identified an employment curriculum that will be made available to housing/service providers.
- 100% HMIS coverage for all non-DV shelter, TH, and PH beds does not appear to be attainable because:
 1. Not all providers are McKinney funded, and
 2. From year to year, there are gains and losses in beds. As a result, new providers have to be facilitated into the HMIS partnership.

OPTIONAL:

- In addition to three developments placed in service in 2006 (see accomplishments for Goal 1), an additional 5 developments are under development or being underwritten. DCA also revised the Qualified Allocation Plan for Georgia's low income housing tax credit developments to require an emphasis on special needs housing and housing for chronically housing. 50 housing choice vouchers have been allocated for those units.
- 250 front line case managers from Georgia's Department of Human Services have participated in SOAR training to learn to assist homeless individuals with disability applications; the program will expand in 2007
- GeorgiaHousingSearch.org provides a searchable data base of affordable housing units accessible by service providers for the homeless, as well as the general public. By the end of 2006, the site had almost 37,000 units listed and averaged 3,300 searches per day.

V: CoC Chronic Homeless (CH) Progress Chart

The data in this chart should come from point-in-time counts also used for Chart K: Populations and Subpopulations Chart and Chart I: Housing Inventory Chart. For further instructions in filling out this chart, please see the Instructions section.

<p>1. Enter the total number of chronically homeless persons in your CoC and the total number of permanent housing beds designated for the chronically homeless in your CoC for each year.</p>					
Year	Number of CH Persons			Number of PH beds for the CH	
2005	714			269	
2006	714			356	
2007	714			416	
<p>Briefly describe the reason(s) for any increases in the total number of chronically homeless persons between 2006 and 2007:</p> <p>No change ... however, the BoS CoC relies on a sampling of shelter counts in the 152 county area, counts from other CoC's and other data to produce estimates. It should be noted that we now have a research project underway with Kennesaw State University – a joint collaborative between their research and statistics departments. They have been discussing methodologies with HUD-contracted researchers and are now devising a model to produce better state-wide numbers using a reliable sample of sheltered and unsheltered counts. New counts will test the model in the summer of 2007. The complete model will then dictate the sample size and location for January 2008. As a result, improved – if not statistically reliable - numbers will be available for the 2008 GA BoS CoC.</p>					
<p>2. Indicate the number of new PH beds in place and made available for occupancy for the chronically homeless between February 1, 2006 and January 31, 2007:</p>					80
<p>3. Identify the amount of funds from each funding source for the development and operations costs of the new CH beds created between February 1, 2006 and January 31, 2007.</p>					
Cost Type	Public/Government				Private
	HUD McKinney-Vento	Other Federal	State	Local	
Development					
Operations S+C SRA	\$3,336,000	\$ 440,300	\$500,400	-0-	\$150,000
TOTAL	\$3,336,000	\$ 440,300	\$500,400	-0-	\$150,000

W: CoC Housing Performance Chart

1. Participants in Permanent Housing (PH)		
HUD will be assessing the percentage of all participants who remain in S+C or SHP permanent housing (PH) for more than six months. SHP projects include both SHP-PH and SHP-Safe Haven PH renewals. Complete the following chart using data based on the <u>most recently submitted</u> APR for Question 12(a) and 12(b) for PH projects included on your CoC Priority Chart:		
<input type="checkbox"/>	No applicable PH renewals are on the CoC Project Priorities Chart	APR Data
<input checked="" type="checkbox"/>	<u>All</u> PH renewal projects with APRs submitted are included in calculating the responses below	
a.	Number of participants who exited PH project(s)—APR Question 12(a)	158
b.	Number of participants who did not leave the project(s)—APR Question 12(b)	244
c.	Number who exited after staying 7 months or longer in PH—APR Question 12(a)	106
d.	Number who did not leave after staying 7 months or longer in PH—APR question 12(b)	180
e.	Percentage of all participants in PH projects staying 7 months or longer (c. + d. divided by a. + b., multiplied by 100 = e.)	71.1 %
2. Participants in Transitional Housing (TH)		
HUD will be assessing the percentage of all TH clients who moved to a permanent housing situation. TH projects include SHP-TH and SHP-Safe Haven/TH <i>not</i> identified as permanent housing. Complete the following chart using data based on the <u>most recently submitted</u> APR Question 14 for TH renewal projects included on your CoC Priorities Chart.		
<input type="checkbox"/>	No applicable TH renewals are on the CoC Project Priorities Chart	APR Data
<input checked="" type="checkbox"/>	<u>All</u> TH renewal projects with APRs submitted are included in calculating the responses below	
a.	Number of participants who exited TH project(s)—including unknown destination	174
b.	Number of participants who moved to PH	112
c.	Percent of participants in TH projects who moved to PH (b. divided by a., multiplied by 100 = c.)	64.4 %

X: Mainstream Programs and Employment Project Performance Chart

<input type="checkbox"/>	No applicable renewal projects for the Mainstream Programs and Employment Chart are included in the CoC Priorities Chart.
<input checked="" type="checkbox"/>	All renewal projects on the CoC Priorities Chart that are not exempted from reporting in the APR are included in calculating the responses below.

(1) Number of Adults Who Left (Use same number in each cell)	(2) Income Source	(3) Number of Exiting Adults with Each Source of Income	(4) Percent with Income at Exit (Col 3 ÷ Col 1 x 100)
955	a. SSI	78	8.2 %
955	b. SSDI	62	6.5 %
955	c. Social Security	53	5.4 %
955	d. General Public Assistance	0	0 %
955	e. TANF	85	8.9 %
955	f. SCHIP	2	0.2 %
955	g. Veterans Benefits	19	2.0 %
955	h. Employment Income	292	30.5 %
955	i. Unemployment Benefits	7	0.7 %
955	j. Veterans Health Care	20	2.1 %
955	k. Medicaid	116	12.1 %
955	l. Food Stamps	282	29.4 %
955	m. Other (please specify)	18	1.9 %
955	n. No Financial Resources	299	31.2 %

Y: Enrollment and Participation in Mainstream Programs Chart

Check those activities implemented by a majority of your CoC's homeless assistance providers (check all that apply):	
<input checked="" type="checkbox"/>	A majority of homeless assistance providers have case managers systematically assist clients in completing applications for mainstream benefit programs.
<input checked="" type="checkbox"/>	The CoC systematically analyzes its projects' APRs to assess and improve access to mainstream programs.
<input checked="" type="checkbox"/>	The CoC has an active planning committee that meets at least three times a year to improve CoC-wide participation in mainstream programs.
<input type="checkbox"/>	A majority of homeless assistance providers use a single application form for four or more of the above mainstream programs.
<input checked="" type="checkbox"/>	The CoC systematically provides outreach and intake staff specific, ongoing training on how to identify eligibility and program changes for mainstream programs.
<input checked="" type="checkbox"/>	The CoC or any of its projects has specialized staff whose primary responsibility is to identify, enroll, and follow-up with homeless persons on participation in mainstream programs.
<input checked="" type="checkbox"/>	A majority of homeless assistance providers supply transportation assistance to clients to attend mainstream benefit appointments, employment training, or jobs.
<input checked="" type="checkbox"/>	A majority of homeless assistance providers have staff systematically follow-up to ensure that mainstream benefits are received.
<input checked="" type="checkbox"/>	The CoC coordinates with the State Interagency Council(s) on Homelessness to reduce or remove barriers to accessing mainstream services.

Z: Unexecuted Grants Awarded Prior to the 2006 CoC Competition Chart

Provide a list of <u>all</u> HUD McKinney-Vento Act awards made prior to the 2005 competition that are not yet under contract (i.e., signed grant agreement or executed ACC).			
Project Number	Applicant Name	Project Name	Grant Amount
Based upon the CoC's understanding from the HUD Atlanta CPD Office, there should be no unexecuted grants at the time of CoC submission.			

AA: CoC Participation in Energy Star Chart

HUD promotes energy-efficient housing. All McKinney-Vento funded projects are encouraged to promote energy efficiency, and are specifically encouraged to purchase and use Energy Star labeled products. For information on the Energy Star initiative, go to: <http://www.energystar.gov>.

Have you notified CoC members of the Energy Star initiative? (*links on web site*) YES NO

Percentage of CoC projects on CoC Priority Chart using Energy Star appliances: 88 %

AB: Section 3 Employment Policy Chart

	YES	NO
1. Is any project in your CoC requesting HUD funds for housing rehabilitation or new construction?	<input type="checkbox"/>	<input checked="" type="checkbox"/>
2. If you answered yes to Question 1: Is the project requesting \$200,000 or more?	<input type="checkbox"/>	<input type="checkbox"/>
<p>If you answered yes to Question 2:</p> <p>N/A</p>		

America's Affordable Communities Initiative	U.S. Department of Housing and Urban Development	OMB approval no. 2510-0013 (exp. 03/31/2010)
---	--	---

Questionnaire for HUD's Initiative on Removal of Regulatory Barriers

Part A. (Omitted – CoC lead is a state agency.)

Part B. State Agencies and Departments or Other Applicants for Projects Located in Unincorporated Areas or Areas Otherwise Not Covered in Part A

	1	2
1. Does your state, either in its planning and zoning enabling legislation or in any other legislation, require localities regulating development have a comprehensive plan with a "housing element?" If no, skip to question # 4	<input type="checkbox"/> No	<input checked="" type="checkbox"/> Yes
2. Does you state require that a local jurisdiction's comprehensive plan estimate current and anticipated housing needs, taking into account the anticipated growth of the region, for existing and future residents, including low, moderate, and middle income families, for at least the next five years?	<input type="checkbox"/> No	<input checked="" type="checkbox"/> Yes
3. Does your state's zoning enabling legislation require that a local jurisdiction's zoning ordinance have a) sufficient land use and density categories (multifamily housing, duplexes, small lot homes and other similar elements); and, b) sufficient land zoned or mapped in these categories, that can permit the building of affordable housing that addresses the needs identified in the comprehensive plan?	<input checked="" type="checkbox"/> No	<input type="checkbox"/> Yes
4. Does your state have an agency or office that includes a specific mission to determine whether local governments have policies or procedures that are raising costs or otherwise discouraging affordable housing?	<input checked="" type="checkbox"/> No	<input type="checkbox"/> Yes
5. Does your state have a legal or administrative requirement that local governments undertake periodic self-evaluation of regulations and processes to assess their impact upon housing affordability address these barriers to affordability?	<input checked="" type="checkbox"/> No	<input type="checkbox"/> Yes
6. Does your state have a technical assistance or education program for local jurisdictions that includes assisting them in identifying regulatory barriers and in recommending strategies to local governments for their removal?	<input type="checkbox"/> No	<input checked="" type="checkbox"/> Yes
7. Does your state have specific enabling legislation for local impact fees? If no skip to question #9.	<input type="checkbox"/> No	<input checked="" type="checkbox"/> Yes

<p>8. If yes to the question #7, does the state statute provide criteria that sets standards for the allowable type of capital investments that have a direct relationship between the fee and the development (nexus) and a method for fee calculation?</p>	<input type="checkbox"/> No	<input checked="" type="checkbox"/> Yes
<p>9. Does your state provide significant financial assistance to local governments for housing, community development and/or transportation that includes funding prioritization or linking funding on the basis of local regulatory barrier removal activities?</p>	<input checked="" type="checkbox"/> No	<input type="checkbox"/> Yes
<p>10. Does your state have a mandatory state-wide building code that a) does not permit local technical amendments and b) uses a recent version (i.e. published within the last five years or, if no recent version has been published, the last version published) of one of the nationally recognized model building codes (i.e. the International Code Council (ICC), the Building Officials and Code Administrators International (BOCA), the Southern Building Code Congress International (SBCI), the International Conference of Building Officials (ICBO), the National Fire Protection Association (NFPA)) without significant technical amendment or modification?</p> <p>Alternatively, if the state has made significant technical amendment to the model code, can the state supply supporting data that the amendments do not negatively impact affordability?</p>	<input checked="" type="checkbox"/> No	<input type="checkbox"/> Yes
<p>11. Has your jurisdiction adopted specific building code language regarding housing rehabilitation that encourages such rehabilitation through graduated regulatory requirements applicable as different levels of work are performed in existing buildings? Such code language increases regulatory requirements (the additional improvements required as a matter of regulatory policy) in proportion to the extent of rehabilitation that an owner/developer chooses to do on a voluntary basis. For further information see HUD publication: “<i>Smart Codes in Your Community: A Guide to Building Rehabilitation Codes</i>” (www.huduser.org/publications/destech/smartcodes.html)</p>	<input checked="" type="checkbox"/> No	<input type="checkbox"/> Yes
<p>12. Within the past five years has your state made any changes to its own processes or requirements to streamline or consolidate the state’s own approval processes involving permits for water or wastewater, environmental review, or other State-administered permits or programs involving housing development. If yes, briefly list these changes.</p> <p><i>DCA notifies local governments of environmental review and permit requirements early on in the development process so that environmental issues can be resolved as soon as possible in order to expedite the development process.</i></p>	<input type="checkbox"/> No	<input checked="" type="checkbox"/> Yes

<p>13. Within the past five years, has your state (i.e., Governor, legislature, planning department) directly or in partnership with major private or public stakeholders, convened or funded comprehensive studies, commissions, or panels to review state or local rules, regulations, development standards, and processes to assess their impact on the supply of affordable housing?</p>	<input type="checkbox"/> No	<input checked="" type="checkbox"/> Yes
<p>14. Within the past five years, has the state initiated major regulatory reforms either as a result of the above study or as a result of information identified in the barrier component of the states' "Consolidated Plan submitted to HUD?" If yes, briefly list these major regulatory reforms.</p>	<input checked="" type="checkbox"/> No	<input type="checkbox"/> Yes
<p>15. Has the state undertaken any other actions regarding local jurisdiction's regulation of housing development including permitting, land use, building or subdivision regulations, or other related administrative procedures? If yes, briefly list these actions.</p> <p><i>Under the Minimum Standards and Procedures for Local Comprehensive Planning Act, effective January 1, 2004, and adopted under the Georgia Planning Act of 1989, the State requires that all but the smallest local governments (e.g., counties with populations under 15,000) "evaluate the impact of the jurisdiction's decisions regarding land use patterns, zoning, subdivision ordinances, infrastructure, taxation/fee structure, and design standards on housing needs and on availability, affordability, and mix of housing provided in the community."</i></p>	<input type="checkbox"/> No	<input checked="" type="checkbox"/> Yes
